

Latest Information

CMAS
WORLD FINSWIMMING TRAINERS
CONGRESS
LEVEL I

The need to embrace the process of change

Considering the consequences generated by the pandemic (Covid-19) and the unprecedented living conditions worldwide, we are forced to adjust the teaching method of the CMAS World Finswimming Trainers Congress (CMAS LEVEL 1).

Our proposal

Our scientific team recommends the direct online update (e-learning method), the most common way of implementation seminars worldwide.

Thus, we strongly recommend the online training courses of the 1st CMAS World Finswimming Trainers Congress Level 1.

The successful implementation of the online trainers courses will be certified by a trainers diploma CMAS LEVEL 1.

Ten (10) thematic sessions are required for the completion of the online courses. Eligible to attend are active coaches and athletes worldwide, who wish to certify and enrich their knowledge.

Presentations will be in English language with subtitles in French, Spanish and Greek.

Advantages of the online training Congress

Date: We will announce the date of the on-line Congress immediately after CMAS announce the new sport calendar for 2020. In this way we will choose a non competition period.

Autonomy: Ability to study regardless of the restrictive elements, such as the physical presence.

Cheaper entry fee: No extra accommodation and travel costs.

Accessibility: Possibility to attend the Congress from all over the world.

Learning Time: Attendance of courses at a rate desired by the trainer. The platform will be open for five (5) days.

Questions: Participants may ask questions (in English only), which will be answered by the lecturers.

Advantages of the online training Congress

Study Guide: Key elements of each session that aims to facilitate the study of each trainer.

More languages: Subtitling will allow participants to watch presentations in multiple languages and this would not be possible to be done at physical presence congress.

Possibility for replay the videos

Examinations: After each presentation there will be multiple choice questions that must be replied. Upon completion of the Congress and the examinations a CMAS LEVEL 1 diploma will be awarded. The names of participants, that successfully passed the examinations will be published at the official CMAS website.

Participation Fee

Participation fee for the attendance of the 1st CMAS World Finswimming Trainers Congress Level 1 and the Certification CMAS LEVEL 1, will be: 180 Euros.

Our Vision

The development of Finswimming worldwide.

Our adoration in Finswimming bring all of us together.
